of a global community

"Calling EQ..."

Open a whole new world!

- Make Amateur Radio contacts with people world-wide
- Develop new and interesting friendships
- Experiment with the latest communications technologies
- Take it with you in your car or boat
- Or just have a chat

Amateur Radio goes where you go: 4WD, camping, sailing, just about anywhere.

Ideal for school activities and scouting.

Enjoyed by people of all ages.

Become a Radio Amateur

Get involved with Amateur Radio today, weekend training courses and the 'Your Entry into Amateur Radio' training manual will guide you through everything you need to know. Many radio clubs run courses.
